

Dear student,

You have just started a diving course with your diving instructor and were registered for Student Protect from aqua med. Student Protect is a free **diving accident protection** for students taking part in a **beginners' course**.

The Student Protect coverage **begins** with your registration and lasts for a **maximum period of 6 months**. In this period, you are covered for the respective diving course(s).

Which service is covered with Student Protect?

- ✓ 24h medical emergency hotline
- ✓ preventative diving and travel medical consultation
- ✓ treatment in a hyperbaric chamber: **unlimited**
- ✓ emergency transport to a hyperbaric chamber: **€ 10,000**

Note: The aqua med emergency hotline must be contacted **prior to** any treatment.

What is aqua med?

aqua med is one of the biggest medical assistances in the field of diving medicine worldwide. With the emergency hotline – the diveline – aqua med offers you an emergency medical consultation and aid 24 hours a day, 365 days a year. With the aqua med dive card, you get an all-round protection for travelling and diving.
